CABERNET SAUVIGNON

LANGHORNE CREEK
LIMESTONE COAST

H Heartland Wines was started by a group of friends in 2001, all of whom have worked within the cogs of the wine industry for many years. The Heartland owners are Ben Glaetzer, Grant Tilbrook, Scott Collett, Geoff Hardy, Vicki Arnold, Gino Melino and John Pargeter. The team is actively involved in all aspects of the business - from growing the grapes, winemaking, marketing and selling the wines.

In Heartland's core range there is a Shiraz, Cabernet Sauvignon, Viognier Pinot Gris and Dolcetto Lagrein, all from our vineyards in Langhorne Creek & Limestone Coast. These wines encapsulate Heartland Wines' trademark 'new ways with tradition'. Ben is proud of their pure, animated fruit and true regional characteristics. Both the blends and the single varietals are rich, complex and elegant, food-friendly wines.

Ben says, "*I am extremely proud of this range, as I feel within each wine I have captured the character and flavour profile of our vineyards, allowing the consumer to taste what we at Heartland consider to be the best of Australia*".
